	From Mr. D. Srinivasiengar, Supdt. Rev. Sur. D.O. No 210 R 11.4.25 Submits a representation that if he cannot be given the top pay of the grade (i.e. Rs 1,200) at once, his increments may at least be made annual, as in the case of the Comptroller (whose grade is Rs - 1,000 - 100 - 1200) so as to enable him to get the 1st increment to Rs 1,100 one year after the date of his appointment as Superintendent. D.O. of 11th April 25 from Mr. D. Srinivasiengar addressed to the Dewan submitting a copy of the above Dewan's order "Chief Secretary with compliments for kindly putting up papers" By order (Sd) [illegible] P.S.D. 15.4.25. On the recommendations of the Retrenchment Committee in 1912, the pay of the Superintendent Rev. Survey, which was fixed at Rs 1000-100-1200 in March 1907, was ordered to be changed to Rs 800 - 100/2 - 1,200 on change of incumbent. (Vide G.O. No R. 7539-40/Z.S-18-12-2 dated 10th June 1913). Mr. Srinivasa Iyengar was specially started on Rs.1,000 in the grade Rs.800 - 100/2 - 1,200. He was thus saved four years, which period he would have had to put in had he had to reach that stage of pay in the usual course. To reach the maximum, he has to put in four years of Service of which he has already rendered one. The service he has still to render for reaching the maximum is, therefore, only three years. If the increment is made

made annual, he will reach the maximum in one more year and I think it is not desirable to shorten the interval of three years between now and his reaching the maximum in the usual course. This is from his personal point of view. ~~As regards~~ From the point of view of the appointment itself, it is undesirable to make the rate of increment annual ~~xx~~ after it was deliberately made biennial in 1912. Mr. Srinivasa Iyengar's predecessor got only biennial increments. In considering the emoluments of this office, the fact that it carries a tentage of Rs.75 and a Fixed Travelling Allowance of Rs.150 cannot also be overlooked. All things considered, it seems to me that there is no need for disturbing the existing arrangement.

M E M O.

I prayed in November last to be seconded in my due place as Deputy Commissioner or given the top pay of my grade, as compensation for loss. But Government did not sanction my prayer. Since then, Mr. S. P. Rajagopalachar to whom I was and ought to have been immediately junior, has reached Rs.1200, as also Mr. Hiriannaiya. I beg to urge that I have, for no fault of mine, had to suffer much by the manner of my transfer to the Survey Department.

2. Various colleagues of mine and juniors, taken to special lines of work in like circumstances to myself, have been seconded as Deputy Commissioners as a matter of course I was not so treated in spite of many representations. My promotion to the Rs.1000 grade was thereby practically withheld for 15 months; and three of my juniors, Messrs. Taj Peeran, M.G. Krishnasami Rao, and Nanasami Rao, got their promotion to Rs.1000 in the usual course, months before Government were pleased to give the same to me after several representations. I mention these facts not to urge all those vain old regrets now, but to show that mine has been a very hard case.

3. I may mention that my prayer is not without precedent, as Mr. D. Shama Rau, a previous Superintendent, was given Rs.1200 within 6 months of his appointment, i.e. along with his confirmation. The present slow biennial grade was fixed, I learn, at the appointment of Mr.Darashah as a number of his colleagues were still only Senior Assistant Commissioners. I beg to urge that it is harsh to tie me down to that slow grade when my colleagues and juniors in the general line are all rapidly rising, and it does not take more than 3 or 4 years nowadays to rise from the lowest to the highest grade of Deputy Commissioner, as shewn

(15)

shewn in the cases of many of my colleagues. For reasons somewhat similar, the Government recently revised the Deputy Superintendent's grade, and raised its maximum pay. I not only assisted Mr. Darashah in some of his most difficult settlements, such as Seringapatam Nala, etc., but I have been since doing as Superintendent two men's work, for which Mr. Darashah urged, and Government agreed, that it was 'absolutely essential for the Survey Superintendent to have the assistance of a senior officer in order to 'cope with the expanded programme of Resettlement work' (G.O.No. 2055-8, dated 12th October 1921).

4. I beg leave to point out in this connection that the work of the Survey and Settlement Department is given its due importance elsewhere and that both in Bombay and Madras the head of that Department has the same status as the head of the Revenue or Excise Departments, being respectively the equal in rank of a Division Commissioner or a member of the Revenue Board.

5. I therefore pray that, if I cannot be given the top pay of the grade at once, my increments may at least be made annual as in the case of the Comptroller (whose grade is 1000-100/1-1200), so as to enable me to get the 1st increment to Rs.1100 one year after the date of my appointment as Superintendent.

My dear Sir,

Chief Secy with Compts for kindly putting up papers pso. Ss. pjd 15/4/25

You may perhaps recollect that I made a representation to you shortly before you went on leave. You could not see your way to reconsider your order about seconding me as Deputy Commissioner but you were kind enough to assure me that you were prepared to consider favourably a prayer to convert my present biennial increment to annual -- as it now is in the case of the Comptroller.

I have submitted accordingly a prayer for your gracious consideration.

I have ventured to pray for effect being given to the same from one year after appointment, which I earnestly request you will consider favourably.

Thanking you for your gracious sympathy and kindness,
